

CEDAR HILL GOLF COURSE OPEN HOUSE

The District of Saanich is undertaking a public consultation process regarding the use of the 2nd floor club house facilities at Cedar Hill Golf Course.

Public input will help Saanich Municipal Council determine how the 2nd floor Club House facility can best serve the community. Input is also being sought on general ways to promote this community facility. A public open house will be held on Wednesday, June 20th from 5:30 PM – 9:30 PM at the Cedar Hill Golf Course Clubhouse Facility, 1400 Derby Road, 2nd floor.

Please drop in and share your ideas on how to make this versatile facility a vibrant, well utilized and sustainable public space for golfers and non-golfers alike. If you cannot attend the open house, you can still have your say during the weeks of June 21st to July 5th by using an online survey at <http://saanich.ca/chgc>
